MSAD6 Budget Advisory Committee Rules for Allowing Public Comment

Public comment from residents of MSAD6 towns will be allowed at the following times during MSAD6 Budget Advisory Committee meetings

- · At the beginning of the meeting.
- At the end of the meeting before adjournment.

At other times during the meeting, usually between topics, at the discretion of the Chair. If it appears that progress on the agenda is lagging, the Chair may restrict the times when comments are allowed during the meeting. At any other time when a Committee member asks for and receives unanimous consent for a non-member to speak.

A person who wishes to comment will be asked to state his/her name and town of residence, and the person will be asked to be concise and brief. Comments stated by others should not be repeated, except that expressing agreement is acceptable.

At each comment opportunity, the time limit is 3 minutes per person and 10 minutes in total. The Chair will monitor and call time as may be necessary.

A comment that is a question may or may not receive a response, at the Committee's discretion. It is not the purpose of this public comment opportunity to allow a back-and-forth discussion with a commenter, unless the Committee so desires.

An attempt will be made to fairly record in the meeting minutes the substance of the public comments, but the Committee does not guarantee completeness or accuracy.

The Committee at any time may vote to modify or rescind these public comment rules.

Discussion:

Maine School Administrative District No. 6

ITEM 5 Minutes of Previous Meeting - 02/17/2022

- Mr. Brockman added that the district is still in the process of negotiating a couple of bargaining agreements that could still impact the budget. The district has not received percentage increase on health/dental or workers compensation rates yet.
- Mr. Penna will present Supplemental Requests on the March 10th BAC meeting
- New Debt Service is a Lease/Purchase for five (5) new buses.

7.

Mr. Thibodeau, Co-Facilities Manager, reported that the district wide Facilities Audit will soon be finalized. They will use the information obtained from the audit to prioritize the needs of the district. Mr. Thibodeau brought forward a listing of areas and items that he has identified that are listed in the meeting packet. The areas/needs identified are funded through varying sources i.e. current budget, requesting through next year's budget or COVID Funding.

Minutes of Previous Meeting - 02/17/2022 ITEM 5

Discussion:

- Mr. Delaney inquired about the lead testing occurring within the district. Mr. Thibodeau responded that the elementary schools are in the process of either having been tested on currently tested. Those found with high levels have mostly been identified within fixtures that contain lead. Drinking fountains have been taken offline and other drinking water options are provided. Mr. Thibodeau noted that the new State guidelines differ from the Federal guidelines. They continue to test in accordance to State guidelines. Testing will begin soon at the middle school, high schools and other sites and the district is well within the States timetable for testing implementation.
- Ms. Creutz thanked Mr. Thibodeau for the thorough report noting that she has had an opportunity to tour the district and was able to see facilities needs. She urged the committee to support making an investment in improving district facilities.
- Mr. Kuntz asked where the capital project budget numbers came from. Mr. Brockman and Mr. Thibodeau said that the budgeted costs are based on experience and information obtained through facilities audit. Mr. Kuntz asked if there would be a priority matrix provided. Mr. Thibodeau reported that the Facilities audit will provide this through the condition's assessment.
- What about Technology needs? Mr. Brockman responded that Technology would be presented separately.
- Mr. Burns asked how the funding of the SRRF project falls within the overall school budget. Mr. Brockman responded that the general fund was used to pay for Architect fees needed to submit the

9

ITEM 5 Minutes of Previous Meeting - 02/03/2022

application. The fees would be reimbursed within the SRRF grant. The SRRF fund is partial loan at 0% and partial grant that will not have to be repaid. Mr. Brockman intends on paying the loan portion off immediately through the Capital fund and then replenish the Capital fund when expenses are reimbursed through the SRRF grant.

 Mr. Brockman added that he would like to establish a new Capital Reserve fund specifically for Technology needs.

The Capital projects listing can be found within the meeting packet: BAC Meeting packet
